MENTAL HEALTH SERVICES

Our mental health services are designed to assist children, youth, families and adults with a range of needs and concerns that impact their emotional well-being.

HUMAN SERVICES

WYFS provides essential human services to all residents struggling financially and emotionally for many different reasons or simply need help obtaining resources. We provide case management services to all residents who need support and assistance to improve their quality of life.

AFTER SCHOOL ENRICHMENT

These programs encompass a broad range of topics and interests. Our staff is devoted to creating a supportive environment during these programs where self-confidence, creativity and collaboration can flourish.

SPECIAL PROGRAMS AND TRIPS

Throughout the year WYFS offers programs that bring people together and support community bonding.

HOLIDAY PROGRAMS

Around the holidays, WYF distributes food and gift baskets with brand new toys and items for families in need.

CAMP DASH

Camp DASH is Waterford's full day summer camp program that has provided campers with **D**aily **A**ctivities for **S**ummer **H**appiness (DASH) for the past 12 years! Every year, our staff and community looks forward to a summer full of laughs, friendships and memory making.

JUVENILE REVIEW BOARD

Waterford Juvenile Review Board is a community-based program that provides youth who have committed a juvenile offense the opportunity to make things right with an alternative to Juvenile Court. Through a mediated process youth understand how their behavior harmed the victim and community, acknowledge that their behavior harmed others, and take responsibility to repair the harm through direct or indirect action.
